Sword mandate · Enforce safety · Rule of law · Vet threats · Elevate victims

OPENING FRAME → START HERE

Government’s job is to punish evil and protect the innocent. Soft-on-crime politics abandons victims.

SERVE PATH

S

SWORD MANDATE

Romans 13 — bear the sword against wrongdoers.

E

ENFORCE SAFETY

Catch-and-release and soft charging correlate with rising violence.

R

RULE OF LAW

Sanctuary nullification destroys equal justice and deterrence.

V

VET THREATS

Sovereignty includes keeping violent criminal aliens out — and removing them.

E

ELEVATE VICTIMS

Speak for those who can’t (Prov 31). Name the forgotten dead.

COUNTERS

THEY SAY

“No human is illegal”

YOU SAY

People aren’t illegal; illegal entry and overstay are. Words describe actions.

THEY SAY

“Most aren’t violent”

YOU SAY

Then deport the violent subset without apology. Even small percentages are many victims.

THEY SAY

“Deportation is cruel”

YOU SAY

Cruelty is releasing predators onto Kate Steinle’s neighbors. Justice is not optional.

THEY SAY

“The system is broken”

YOU SAY

Reform laws — don’t ignore them. Chaos isn’t compassion.
