

Anti-Critical Race Theory

OPENING FRAME → START HERE

Judge by character, not color. CRT re-racializes America and contradicts the Gospel and the Civil Rights ideal.

DEBATE PATH

- 1 Imago Dei: One race — human. Equal dignity, equal fallenness, equal need of grace.
- ↓
- 2 Logic: CRT judges by ancestry, is unfalsifiable, and mirrors the racism it claims to fight.
- ↓
- 3 History: America's sins are real — and so is massive moral progress. 1619 myth ≠ full story.
- ↓
- 4 Harm: Kids taught oppressor/oppressed scripts; division grows; merit dies.
- ↓
- 5 Gospel alternative: Reconciliation in Christ — repent real sin; reject racial essentialism.

COUNTERS

THEY SAY

"You just hate talking about race"

YOU SAY

Honest history ≠ CRT ideology. Oppose racism and racial Marxism.

THEY SAY

"You deny racism exists"

YOU SAY

Racism is sin. CRT's cure (more race obsession) worsens the disease.

THEY SAY

"CRT is just accurate history"

YOU SAY

Teaching slavery and Jim Crow ≠ CRT. CRT is a worldview of systemic racial determinism.

THEY SAY

"Opposing CRT = supporting racism"

YOU SAY

False dichotomy. Sowell, McWhorter, Elder — and MLK's dream — reject both.

CLOSE → → Quote MLK. Demand color-blind equality under law — not equity of outcomes by race.
