Government's job is to punish evil and protect the innocent. Soft-on-crime politics abandons victims.

DEBATE PATH

- 1 Mandate: Romans 13 — bear the sword against wrongdoers.
↓
- 2 Safety: Catch-and-release and soft charging correlate with rising violence.
↓
- 3 Rule of law: Sanctuary nullification destroys equal justice and deterrence.
↓
- 4 Borders: Sovereignty includes keeping violent criminal aliens out — and removing them.
↓
- 5 Victims first: Speak for those who can't (Prov 31). Name the forgotten dead.

COUNTERS

THEY SAY
"No human is illegal"

YOU SAY
People aren't illegal; illegal entry and overstay are. Words describe actions.

THEY SAY
"Most aren't violent"

YOU SAY
Then deport the violent subset without apology. Even small percentages are many victims.

THEY SAY
"Deportation is cruel"

YOU SAY
Cruelty is releasing predators onto Kate Steinle's neighbors. Justice is not optional.

THEY SAY
"The system is broken"

YOU SAY
Reform laws — don't ignore them. Chaos isn't compassion.

CLOSE → → Put victims' names at the center. Deterrence is love for the next potential victim.
